Diagram illustrating the sequence of events (E1-E7) and the state of the variable (BYE) for Jane DREYER.

The diagram is organized into two main sections, each with a vertical line on the left and a horizontal line on the right.

Top Section:

- Event E1: BYE
- Event E2: Jane DREYER
- Event E5: Jane DREYER

Bottom Section:

- Event E3: BYE
- Event E4: BYE
- Event E6: BYE
- Event E7: Jane DREYER

The diagram shows the state of the variable (BYE) for Jane DREYER across different events. The variable is set to BYE for E1, E3, E4, and E6. The variable is set to Jane DREYER for E2, E5, and E7. The vertical lines indicate that the variable is set to BYE for E1 and E2, and to Jane DREYER for E3 and E4. The horizontal lines indicate that the variable is set to Jane DREYER for E5 and E6, and to BYE for E7.
