The diagram illustrates a sequence of events and actions. On the left, a vertical column lists events E1 through E7. To the right of each event, a box contains an action. Lines connect the events to their corresponding actions, and additional lines connect the actions to a central vertical line on the right. The actions are: E1 (BYE), E2 (Jane DREYER), E3 (BYE), E4 (BYE), E5 (Jane DREYER), E6 (BYE), and E7 (Jane DREYER). The central vertical line on the right is labeled 'Jane DREYER' at the top and 'Jane DREYER' at the bottom, indicating a continuous process or state.
